Thank you for your letter. Unfortunately, as a student I cannot afford the \$375 filing fee and I resorted to file the Provisional Application, PPA for the license of selling denture adhesives., the fee for the Provisional Application was received by your office on 07/07/03 with a description of my invention as my return receipt postcard indicates. The 07/07/03 priority date for my method of denture fixation is very important to me and since I am not changing my method in the application parts I will send to you I can only send you the desired applications parts only as copies without changing the priority date.

Priority Date: 07/07/03
